

LGBT+ Community Center Rules

The LGBT + Community Center wants to be a haven where you always feel good and safe and where you can be yourself. Therefore, we do not tolerate any offensive and discriminatory behaviour that creates a feeling of danger, discomfort or otherwise crosses personal boundaries.

We all create a pleasant atmosphere together, so please do the following:

Respect others, their sexual orientation and gender identity and its expression.

Do not insult others for their appearance, body constitution and the like.

Avoid transphobia, biphobia, homophobia, sexism, misogyny, xenophobia, racism,...

NO means NO. Respect it. If someone lets you know that your behaviour or words are not pleasant, take it seriously. This applies especially to non-consensual touches, allusions, or offers. We do not tolerate sexual harassment.

Take pictures or record videos only with explicit consent. The same goes for posting and sharing photos and videos. Do not be afraid to ask and do not be afraid to refuse.

Smoking and drug use are prohibited in the CC.

Sex, health and other personal topics are not taboo, but bear in mind that people of different ages and stories meet in the Community Center and not everyone wants to talk about them. At the same time, do not be surprised if you come across these topics at the Community Center. They are important and there is no need to be afraid of them.

Should you have a problem with another visitor, please notify someone from the team. **We will resolve the situation immediately.**

And do not forget - we create the atmosphere in the CC together, so let's be nice to each other.
